New applications or renewals for dog or cat licenses may be remitted to the Township Municipal Bldg in person or by mail. All licenses will be issued in consecutive order and mailed. All checks must be made payable to Township of East Brunswick.

**Proof of rabies vaccination and spaying/neutering is required for all new licenses. Submit copies only, no documentation will be returned.**

Vaccinations expiring between January and October of the licensing year must be renewed before a new license can be issued, per NJ State law. **If your vaccination expires on or before October 31 of the licensing year, a license will not be issued until the animal receives a new vaccination.** Proof of re-vaccination must accompany renewal (Copies only, no originals).
