

East Brunswick Recreation, Parks & Community Services

Heavenly Farms Paver Tribute Program

In 2016 The Township of East Brunswick Emergency Services, consisting of East Brunswick Rescue Squad, Brookview Volunteer Fire Company, East Brunswick Independent Fire Company, Old Bridge Fire Department, East Brunswick PBA #145, and East Brunswick Superior Officers FOP #98 created a Welcome Area to Heavenly Farms by donating a flag pole, benches, and landscaping. To continue this beautiful project, the Department of Recreation, Parks & Community Services is offering the opportunity to purchase a Tribute Paver that will be engraved and installed in the Welcome Area.

The Paver Tribute Program gives you the opportunity to create a memory stamp, memorialize a family member or friend, recognize a coach, team or sports program while adding to the beauty of Heavenly Farms and the Welcome Area. Each 6x9 inch paver may be engraved with up to 4 lines of 20 characters per line. Logos may be added with an additional charge.

To purchase a Paver—simply fill out the form and mail with payment to the Department of Recreation, Parks & Community Services. Order deadline is June 15 for a Summer installation—as long as the minimum number of pavers required by the supplier is met. Fee per Paver is \$50. Use of Logos is additional so please contact Recreation & Parks for a price.

Personalization—Up to 4 Lines with 20 Characters/Line (includes spaces)

Line #1: _____
