

PHILOSOPHY OF EAST BRUNSWICK

DEPARTMENT OF RECREATION, PARKS & COMMUNITY SERVICES (as resolved by the Recreation and Parks Advisory Board)

The Philosophy of the East Brunswick Recreation and Parks Advisory Board and the Department of Recreation, Parks, and Community Services is to provide and maintain an enriched quality of life for the all citizens through creative and meaningful leisure experiences which will nurture and develop a harmonious relationship between people and their environment.

To implement the philosophy, the following goals are set forth:

- A. Provide the optimum level of recreation and community service programs and the necessary resources to meet social, cultural, psychological and physical needs of all citizens of East Brunswick.
- B. Maintain, protect and wisely use the human and natural resources of East Brunswick.
- C. Provide efficient and effective delivery of recreation and resource management services to the East Brunswick Community.
