

TOWNSHIP OF EAST BRUNSWICK

2020 Time Capsule

2020 was a year unlike anything we have ever experienced!
So that we don't forget all that took place during this time,
the Township will be burying a time capsule at the Community Arts Center.

We already have the toilet paper and hand sanitizer, but
if you have an idea as to what other items should be placed into
the 2020 time capsule, please email your suggestion(s) to:

arts@eastbrunswick.org

All suggestions must be received by February 26.
