"I love that...I have what I consider to be library grandchildren..." - Suzanne Klein

- Interesting EB Library Trivia – there was a flood in the 1990's so sudden & so severe on Civic Center Drive, that a driver had to be rescued from his car!
- When not at work, Suzanne enjoys hiking, New York Times puzzles and summers with her kids at Crystal Springs, where she learned how to swim
- Fun fact – in her past life, Suzanne was a singer - performing at the Lincoln Center & Carnegie Hall. And while in college she was a taste tester. Tomato soup day was the worst!
