

EAST BRUNSWICK RECREATION & PARKS

Household Information Form

The online registration system provides our participants with an additional method of registering for most Recreation programs. Those with internet access can register for a class, view household history, and pay a balance, 24 hours a day.

In order to use this system, **first time registrants must submit this completed form to the Department of Recreation and Parks, along with proof of residency for all adults (valid driver's license or current lease/mortgage with a photo ID) and proof of age (birth certificate or passport) for all children.** You can email your form to recreation@eastbrunswick.org, mail it in or drop it off in person to 334 Dunhams Corner Road. Once we have received your completed form and proof, we will send you an email confirming receipt and provide you with a username and password so that you may access our online registration system.

If all information on the form is not completed your household will not be added.

<u>Primary Household Contact/Guardian</u>			
First Name: _____			Last Name: _____
Address: _____		Town: _____	Zip: _____
