Best Buddies gives Youth Council volunteers the opportunity to cultivate a one-to-one friendship with young adults with intellectual and/or developmental disabilities.

People with intellectual and/or developmental disabilities sometimes face an absence of social skills because they have not had the opportunity to have friends outside of their own environment. Best Buddies introduces socialization opportunities for these young adults so they can become more independent and, consequently, more included in the community.

We will have a variety of programs throughout the year. You will be helping these young adults find meaningful high school experiences with their peers.

This one-to-one friendship is the foundation that helps human beings become successful. Without love, support and friends, our lives would be empty. Youth Council volunteers will change lives by simply sharing their time with a new friend. You will give them a chance to explore a new way of life.

If you would like to volunteer for any of these events, please email EBYouthCouncil@EastBrunswick.org, and follow the instructions on the “How Do I Sign Up to Volunteer?” page.

Parent’s Guide for Community Service

(Important, please read)

As a member of the Youth Council, your child will be presented with a multitude of opportunities to complete community service. If your child does decide to volunteer, they must complete 15 hours or more to receive credit from CJHS or EBHS and have it on their transcript (Not all hours need to come from one source).

You can complete some of those hours through us and others through the school.

The newsletter is always available to view on our Website at www.Eastbrunswick.org/ebyouthcouncil. Please refer to this newsletter and check your/your student’s email for additional volunteer opportunities.

It is important that your child follow the procedures as outlined below:

- When your child has volunteered and been assigned (notification received by email) an opportunity through Youth Council, the name of the event and the hours your child worked should be entered into the EB Youth Council Community Service Time Sheet (located on our website at www.Eastbrunswick.org/EBYouthCouncil).

Please note that this is a separate Community Service time sheet from the one your child can pick up in their Guidance Department.

The only hours your child should list on the EB Youth Council Community Service Time Sheet are the hours that your child completed through the EB Youth Council.

- At the end of the school year (no later than May 21st), this form, which must be signed by the student, and their brief, one or two paragraph reflection about their community service must be returned to Youth Council to verify the hours.

We will turn in this form and your child’s essay to their grade level administrator for them.

Your student’s approved Community Service Time Sheet and essay is what your student’s grade administrator will use to determine whether your child has properly fulfilled his/her obligation. So it is imperative that your student submits this completely and accurately.

Your child’s community service time sheet and essay must be mailed to or brought in to:

East Brunswick Youth Council, 334 Dunhams Corner Road, East Brunswick, NJ 08816.

If you would like to volunteer for any of these events, please email EBYouthCouncil@EastBrunswick.org, and follow the instructions on the “How Do I Sign Up to Volunteer?” page.
