The assessors will review written materials, interview agency members, and visit offices and other places where compliance with the standards can be observed. Once the Commission's assessors complete their review of the agency, they will report to the full Commission, which will then decide if the agency is to be granted accredited status"*, Harry J Delgado stated.

Accreditation is valid for a three-year period during which time the agency must submit annual reports attesting to their continued compliance with those standards under which it was initially accredited.
